Our villa is located on the west side of Sorrento and situated in the village of Massa Lubrense. You'll enjoy breathtaking panoramic views of Capri and the Bay of Naples. The blue of the Mediterranean meets the skies and captures the timeless beauty of the Sorrento coastline.

Everything about our villa is defined by classic Mediterranean beauty. The villa's interior design focuses on modern elegance with a blend of complementary styles and decorative features. It creates a sophisticated style that is both contemporary and timeless. Built in the 1800s, care has been taken to update the villa with modern amenities but still preserve the European aristocratic charm.
